There Is A Solution

We, of Alcoholics Anonymous, know thousands of men and women who were once just as hopeless as Bill. Nearly all have recovered. They have solved the drink problem.

We are average Americans All sections of this country and many of its occupations are represented, as well as many political, economic, social, and religious backgrounds We are people who normally would not mix. But there exists among us a fellowship, a friendliness, and an understanding which is indescribably wonderful.

We are like the passengers of a great liner the moment after rescue from shipwreck when camaraderie, joyousness and democracy pervade the vessel from steerage to Captain's table. Unlike the feelings of the ship's passengers, however, our joy in escape from disaster does not subside as we go our individual ways The feeling of having shared in a common peril is one element in the powerful cement which binds us But that in itself would never have held us together as we are now joined.

The tremendous fact for every one of us is that we have discovered a common solution We have a The Way Out on which we can absolutely agree, and upon which we can join in brotherly and harmonious action This is the great news this book carries to those who suffer from alcoholism. An illness of this sort and we have come to believe it an illness involves those about us in a way no other human sickness can If a person has cancer all are sorry for him and no one is angry or hurt. But not so with the alcoholic illness, for with it there goes annihilation of all the things worth while in life. It engulfs all whose lives touch the sufferer's It brings misunderstanding, fierce resentment, financial insecurity, disgusted friends and employers, warped lives of blameless children, sad wives and parents anyone can increase the list.

The AA Promises

1. If we are painstaking about this phase of our development, we will be amazed before we are half way through.
1. We are going to know a new freedom and a new happiness
2. We will not regret the past nor wish to shut the door on it.
3. We will comprehend the word serenity and we will know peace.
4. No matter how far down the scale we have gone, we will see how our experience can benefit others
5. That feeling of uselessness and self-pity will disappear.
6. We will lose interest in selfish things and gain interest in our fellows
7. Self-seeking will slip away.
8. Our whole attitude and outlook upon life will change.
9. Fear of people and of economic insecurity will leave us
10. We will intuitively know how to handle situations which used to baffle us
11. We will suddenly realize that God is doing for us what we could not do for ourselves

Are these extravagant promises? We think not. They are being fulfilled among us - sometimes quickly, sometimes slowly. They will always materialize if we work for them.

The 12 STEPS of Alcoholics Anonymous

1. We admitted we were powerless over alcohol — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The 12 TRADITIONS of Alcoholics Anonymous

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

A.A. Preamble

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self supporting through our own contributions A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
